Subject: Submission of Information Regarding Directors of Company, Number of Indian Students Enrolled and Fee Charged.

Respected Sir/Madam,

With reference to your letter requesting details regarding the number of Indian students and the fee structure charged by educational consultants, we hereby submit the required information for your kind consideration.

We would like to inform you that Khwarizm International Medical Studies is currently facilitating Indian students for medical education in Uzbekistan exclusively for Namangan State University Faculty of Medicine which is a government institution. Information about directors and managers of the company is as under:

Name	Citizenship	Contact
Dr. Shaja Ul Haq	INDIA	+91-9682557752
Dr. Kumar Rabin	INDIA	+998933034438
Mr. Syed Tafiq Sarfraz	INDIA	+998-949883923
Mr. Indrabi Syed Faisal Tanvir	INDIA	+998-900636258

Also as per the written agreement with the university, the company is charging a total yearly fee of USD 3400 from each student under contract. This amount is inclusive of the tuition fee, activity fee and service fee.

We further wish to highlight that company is providing additional academic and other necessary support to students without any extra charges. This includes:

- FMGE (Foreign Medical Graduate Examination) preparation classes starting from the very first year of study.
- A full-time Indian teacher appointed to instruct students following the Indian method of teaching.
- All expenses during all cultural events and festivals.
- Medical assistance 24x7.

These services are provided to ensure that students receive quality education and are well-prepared for licensing examinations in India, without imposing any additional financial burden on them.

We hope that the above information meets your requirements. List of students is attached

Thanking you.

Yours sincerely
Admin
